

You are invited to a **FREE** lung transplant seminar on Saturday, September 13, 2014 entitled **The State of Lung Transplant**

The American Thoracic Society (ATS), the Lung Transplant Foundation (LTF) and the Duke Department of Medicine presents a free one day patient-education seminar on lung transplantation. This event is being held in conjunction with the "Lung Transplant Week at the ATS" program—an educational activity designed to foster interaction between clinicians, patients and patient advocates on lung and airway disorders.

WHERE: Mary Duke Biddle Trent Semans Center, Learning Hall, Room 2050
Duke University Medical Center, 8 Searle Center Drive Durham, NC 27710

WHEN: Saturday, September 13th from 9:00 am to 2:00 pm

WHO: Open and free to all lung transplant patients, family members and the general public. Complimentary lunch will be provided. Parking is available in the Duke Medicine Circle Parking Lot 1 on Trent Drive.
